

MARK WRIGHT

MARK WRIGHT is one of the most popular broadcasters in the UK. His projects include hosting *The Gossip* on ITV2, pulling the nations heart strings on ITV1's *Surprise Surprise*, helping to build breath-taking hideaways for kids on CBBC's *Dengineers* and getting you ready for a night out with his *Club Classics* show on Heart FM every Friday and Saturday night.

All of this started for Mark back in 2010 when he appeared in a new formatted reality show called *The Only Way Is Essex*. Being in just 3 series' of *TOWIE* garnered him enough of a fan-base for ITV to offer him a place on celebrity reality series, *I'm A Celebrity Get Me Out Of Here*. He emerged from the jungle in 2nd place and immediately began filming his own series for ITV2 called, *Mark Wright's Hollywood Nights*.

Back in the UK, Mark was signed dup to co-host *Take Me Out: The Gossip*, the highly popular companion show to the hit ITV1 dating show, *Take Me Out*.

Next he focused his time away from our screens and launched his own range of fragrances; *Mr Wright* for the guys, and *Mrs Wright* for the ladies. Soon after the launch Mark was credited in the beauty press for encouraging men to take more time with their appearance.

Towards the end of 2012 *Take Me Out: The Gossip* was back for a 2nd series and Mark secured himself his nationwide, twice weekly radio show on Heart FM.

2013 kicked off with yet another series of *The Gossip* and with ITV1 asking Mark to present the VT's on their Sunday prime-time series, *Surprise Surprise*. He also began working with ITV2 on what would be his 2nd series, *Party Wright Around The World*. Simultaneously, Mark was snapped up by online fashion giant, *Littlewoods*, to be the face of their menswear brand.

Mark has also taken part in BBC1's *Strictly Come Dancing* where he reached the Final, he was also handed the reigns on *TOWIE LIVE* for the launch of the new ITVBE channel, married the girl of his dreams and filmed his first TV advert, for *Oykos* yoghurt .

Most recently Mark made his US TV debut as a full time correspondent on *Extra*, presented ITV's flagship show *This Morning* and is the face of *Menswear* and presenter of 'The Show' for clothing retailer *Matalan* and presented the brand new series of *The Bachelor* on Channel 5.
